Nights of Ramadan Tours – magical trips to Rahat

We are delighted to invite the public to unique night tours to Rahat during the celebrations of Ramadan. When the night becomes day and the streets are filled with the smells, colors, sounds and prayers... enjoy a memorable tour and an authentic homemade festive meal.

Trips take place on specific dates: **Thursdays: 31/5/2018, 7/6/2018**

Saturdays: 2/6/2018 , 9/6/2018

Reception starting 16:00. Including Bedouin tea, coffee, tent hospitality and Henna hand paintings.

Guided tour, workshops, meal and performances between 17:00 and 22:00.

The tour will start on a bus ride, with professional explanations alongside spicy stories of a local Bedouin guide. We will get to know the "secrets Rahat", do a walking tour in the city center, visit the sweet shops, learn how to dance the "dabke" traditional Bedouin dance, learn how to prepare the special Ramadan treat “katayef” and more. Finally we will enjoy a festive homely and authentic "iftaar" meal, after we will continue the tour to participate in festive street performances.
